

## Basic DJ Package

This package is designed if your event is in a smaller venue with a crowd under 150 people. The package includes (2) Electro Voice 15" PA Speakers, Numark NV DJ Controller, Wireless Microphone, (1) Chauvet Swarm-5 night club light with a music collection from the 50s to today's current hits for all genres. This package includes an experienced DJ to do all the announcements for your event. **Package price: \$400, 4 hours.** Additional hours are available for **\$100 per hour.**

## Dance and Lighting Package

This package is designed for a large venue with more than 150, but under 350 people and is designed to give your event the night club environment with multiple Dance club lights. If you want to "wow" your friends and family this is the package for you. The package includes (2) Electro Voice 15" PA Speakers, (1) 18" Subwoofer (massive bass), (1) Numark NV DJ Controller, Wireless Microphone, (2) Chauvet Gib-Bar IRCs (lasers, strobes, moonflower effects and multi-color washes) with a music collection from the 50's to today's current hits for all genres. This package includes an experienced DJ to do all the announcements for your event. **Package price: \$500, 4 hours.** Additional hours are available for **\$110 per hour.**

## Video and Dance Party Package!

This package is designed for a large venue with more than 350 people. Made to give you the ultimate night club dance experience in any location and allows for the DJ to turn the party up with music videos during the dancing. Special slide shows may be displayed during dinner and repeated throughout the event as well. If you want your guest to not only remember your event, but to also rave about it to those who didn't show, then this is the package for you. Make your guests dance the night away with professional hard hitting sound and stunning visuals tailored specifically for you and your event. The projector is a 3,200 lumen projector with 3D capabilities and DLP 1080p clarity. The screen is back or front projection capable and also tilts to any specific angle which allows for it to be displayed absolutely anywhere. We utilize rear projection, meaning the projector is placed behind the screen, so there's no need to worry about people crossing in front of the display causing unsightly shadows. The projector shines through brilliantly on our 7 x 5 FOOT screen! The screen can be displayed 5 - 13 FEET HIGH. This package also includes (2) Electro Voice 15" PA Speakers, (1) 18" Subwoofer (massive bass), (1) Numark NV DJ Controller, Wireless Microphone, (2) Chauvet Gib-Bar IRCs (lasers, strobes, moonflower effects and multi-color washes), (1) Chauvet Swarm-5 night club light and a music collection from the 50's to today's current hits for all genres. You'll get an experienced DJ to do all the announcements for your event. **Package price: \$700, 4 hours.** Additional hours are available for **\$130 per hour.**

## **Wedding Ceremony Package**

This package is designed for an indoor/outdoor wedding ceremony, or for a ceremony separate from the reception hall. You can add music for your guest during the processional and beautiful heart touching music while you walk down the isle on your special day. This includes a wireless microphone for your minister, so your guests can hear your vows loud and clear. Our DJ will play music specifically tailored to your liking for your special moment. **Package price: \$200**

## **Up-Lighting Package**

Up-lighting is the newest and greatest feature to any event, add a elegant atmosphere to separate your event from the all others. **Up-light price per light: \$25**

## **Video Slide Show Equipment Package**

Having a party for that next Pay-Per-View fight? Why not have it shown on a big screen with big sound in your own back yard? And if you have a DVD or photo slide show you want to show your guests, we can help! Add a Projector, projector screen plus a PA System to your next event. **Package Price \$250.**
