## Making Your Dreams Come True

Dear Bride and Groom,

Congratulations on your engagement.

I know you are both looking forward to your wedding day with much anticipation and I, along with the staff at Golden Beach Resort, am looking forward to being able to share your special day with you, your families and friends.

Choosing to have your wedding ceremony and/or reception at Golden Beach Resort will guarantee you a unique and wonderful experience. An experience that will create those special memories that you will share with your family and friends and hold in your hearts forever. Don't let the preparation and planning take the joy out of your occasion.

From your first visit, you will feel all of the charm and warmth that the Resort will offer you and your guests. From a small intimate wedding to as large as 200, we are able to accommodate all size groups. The beautiful outdoor ceremony locations along with our elegant banquet hall are matched by the beauty of the breathtaking panoramic views of Rice Lake and the lush countryside. Brought together they provide the ultimate wedding package.

Golden Beach Resort spans 500 acres of nature and beauty; what better backdrop for your wedding and pictures. Picture a beautiful sunset reflecting off the water or maybe the two of you nestled in under a huge pine, cedar or willow tree. You could exchange your vows beside the lake, enjoying the warm sun and refreshing breeze or maybe you would rather a moonlit wedding on a hillside overlooking the lake. Whatever you envision for your wedding, we can help you to create a wedding as unique and individual as you are.

No matter what you have dreamed of for your special day, our staff is here to help make your "dreams come true".

Warmest wishes,

Events and Marketing Manager,

## **Beverage Service**

You can choose either a cash or host bar for your wedding or a mix of both—whatever suits your needs. A “toonie-bar” may be a great option and is becoming very popular. Inquire within.

Liquor prices are as per quote. A \$500.00 deposit is required for host bar that is based on consumption. This deposit is refunded if not used (or the portion thereof), with back-up receipts the following morning. If you would like to pre-pay for beverages via tickets, we will arrange tickets and supply you with the beverage tickets in advance, or will place them at the table seating for your guests. If you are purchasing 2 or more drink tickets for your guests, the \$500.00 deposit is not required.

Maybe you would like to have your guests celebrate your vows with a "signature drink" following the ceremony at your wedding site. Or let them relax and mingle with a glass of wine while you have your pictures taken. If the bar is required to be closed during the reception, a charge of \$30.00/hr will be applied. Please note that a surcharge may be applied for non-alcoholic weddings.

### **Wine**

If you desire, Golden Beach Resort can supply maximum 750ml bottles of wine or sparkling wine.

Prices start at \$23.99 per bottle and vary according to type of wine.

Chilling, corking, wineglasses and delivery of wine to the table are included in this price.

You may choose to supply your own sparkling wine during dinner service. Any size over 750ml is not permitted. Corkage fee for wine is \$10.00/bottle and for sparkling wine (non-alcoholic) it is \$8.00/bottle.

Your wine will be chilled, uncorked and delivered to the table; wineglasses will be provided. Your wine must be delivered 24 hours in advance of your wedding date to allow time for chilling. Please note that there is no refund on bottles supplied and not used. All wine must be removed from the tables after dinner—before the first dance.

Glass breakage will result in an additional charge. Prices subject to change—taxes & gratuities extra
