35 – 200	Buffet Service
25 – 70	Plated Service

MENU SERVICE	DESCRIPTION OF SERVICE
Regular Menu Service	All items from our Regular Menu are available. Each guest will order individually from the Main Menu. Not recommended for parties larger than 25.
Limited Menu Service	The Host selects up to three entrees from the Regular Menu for guests to choose from. Appetizers and desserts may also be offered. We will print menu cards for you, or you may print your own. Recommended for parties of 20 to 30.
Buffet Service	The Host can choose from one of our Event Menus or design a menu using selections from our Options Menu. The meal is served as a traditional buffet, but there will be no lack of service. The waitstaff will be available to bring your guests their tea, soda, coffee, cocktails and refills. The waitstaff will also clear your guests' plates and take care of any special requests they may have. Buffets are not "all you can eat," but don't let this concern you—we provide plenty of food for your guests to go through the buffet line once. There is generally enough if a few guests wish to go back for a second helping. If you are concerned, we can have a buffet attendant(s) serve the food for you for an additional fee of \$25. Buffet Service is available for parties of 35 to 200 and is priced per person.
Plated Service	The Host can choose one of our Event Menus or design a menu from our Options Menu. Plate Service is available for parties of 25 to 70 and is priced per person. <i>For plated service for groups of 40 or more, add \$2 per person.</i>
Custom Menu	We can design a special Menu for you from items that are not available from the Options Menu or Event Menu. Please ask for more details if you are interested.

Coffee, tea and soda are included in Buffet and Plated Service.

The above services are NOT all you can eat. All prices are subject to change. Once you have made your deposit and menu choices, your prices will be locked in.

BAR SERVICE	DESCRIPTION OF SERVICE
We can show you a variety of ways to offer cocktail service to your guests. We can also suggest ways to slow down your guests' consumption of beverages during service and ways to help your budget. We charge by the drink and can give you an estimated price per person depending on the type of bar service you choose. <i>Please note that Texas State Law prohibits anyone from bringing in their own alcoholic beverages.</i>	
Open Bar	Host purchases guests' cocktails.
Ticket Service	Drink tickets are offered to your guests.
Cash Limit Bar	If you have only a limited budget for cocktails, our banquet crew will let you know when you are approaching that budgeted amount during your event. You can then choose to go to a cash bar or increase your limit.
Cash Bar	Guests purchase their own cocktails.
Limited Bar	Only beer and wine are offered. Available in combination with any of the above options.
