4 Eagle Ranch
A Genuine Colorado Experience
4 Miles North of Wolcott - Highway 131
30 min. west of Vail - 20 min. west of Beaver Creek
Exceeding Expectations Since 1991

THE EXPERIENCE

A short ride takes you back a hundred years or more to romantic times of cowboys and mountain men. An era full of history, art, spirit and passion manifested by the love and appreciation of the land.

Homesteaded in the late 1800's, 4 Eagle Ranch served as the center for a large cattle and sheep operation. In 1991, it was transformed to accommodate groups and individual guests, providing a taste of genuine Colorado. Our thousand acre ranch is surrounded by hillsides filled with sagebrush and mountain flowers, mesa trails where the Ute Indians once spread their camps, open pastures along the creek, beaver ponds and majestic views. Guests will enjoy the finest Colorado cooking this side of the Continental Divide, along with live music, dance instruction, cattle roundups, horseback rides, roping, hayrides, sleigh rides and making s'mores by the campfire under a star-studded Colorado sky.

THE FACILITIES

Ranch facilities include the original Carriage House (circa 1920), where the Welsh family stored their carriages. In the winter months, it can accommodate up to 80 guests for dinner. The wonderful characteristics of the Carriage House make this a perfect venue for dinner, music and dancing.

The Nelson Cabin (circa 1890), a sheep barn relocated from Minturn, was converted into a cozy log cabin setting for dining and friendly chats by the open-hearth fireplace. In the winter months, our Sleigh Ride Dinners are hosted in this venue and the ambiance is unparalleled.

The 9,600sf Event Center was built in 2011 and can hold groups from 100 to 650 people. The large, rolling windows provide unparalleled views of our wide-open fields and the Sawatch Mountain Range, while also giving the venue an open-air feel.

Our Wedding Pavilion has unobstructed views across the ranch to the Sawatch Mountain Range, which offers a perfect setting for wedding ceremonies and other small gatherings.

The Parlor is ideal for small groups of 10 to 25 guests. Situated between the Carriage House and the Nelson Cabin, this new venue is perfect for an intimate gathering.

Two Homesteader Cabins (circa 1885-1890) complete the setting, as well as a riding arena, horse corrals & trails, horseshoe pits, volleyball, steer head roping, campfire and 4E Trading Post. Be sure to visit our ranch animals, which include miniature donkeys, alpacas, exotic chickens, turkeys, bunnies, goats and pigs.

HERE'S WHAT THEY'RE SAYING ABOUT . . .

4 EAGLE RANCH

"We had a wonderful holiday party at 4 Eagle Ranch! Kristen and her staff did a great job handling every detail of the event. The ranch was decorated beautifully for the holidays. The food was delicious and the line dancing was enjoyed by the group. A great place to schedule your next holiday party!"

Julie VanNatta, Eagle Valley Library District, December 2014 (80 Guests)

"Our event at 4 Eagle Ranch was outstanding. The phenomenal setting combined with great food and an exceptional staff culminated in a remarkable evening. From the initial contact, the staff was first rate and really cared that our event would be a success. They went above and beyond what was expected."

Steve Amerson, Amerson Music Industries, July 2014 (250 Guests)

"The entire staff at 4Eagle Ranch was extremely accommodating from the planning process to the onsite execution of the event. Our event was flawless and our company hasn't stopped talking about that night and how it was the best part of our trip to Vail."

Lindsey Wolf, Sigma Tau, August 2014 (50 Guests)

"We have been coming to 4 Eagle Ranch for the last 4 years for our annual Father-Daughter event. The beautiful setting and the warm welcome we receive every time we return makes this the perfect venue for our last gathering and closing ceremony. The steady enhancements that the Ranch has made to its buildings add to this ideal Colorado setting. The staff at the Ranch are so friendly and always willing to work with our many requests. We always look forward to a fun and enjoyable evening under blue skies and a warm fire!"

Marina Abraham, Program Director, 2010 - 2014 (44 Guests)

"The 4 Eagle Ranch hosted our family as part of the events in Vail for our mother's birthday celebration. She was 93. A gathering of 43 family members from across the United States and Europe, including all ages beginning with the youngest, who was 2, enjoyed a unique experience. The Ranch offered a beautiful setting in the Colorado Rocky Mountains where the sky seemed to go on forever. The activities afforded everyone an opportunity to participate--whether horseback riding, playing horseshoes, volleyball, or steer roping (plastic heads!), or rocking on a comfortable chair on the porch. The lunch was delicious and more than plenty for the hungry crowd. The hosts of the 4 Eagle Ranch were warm, attentive, and fun. They were committed to our enjoyment from the first planning phone call to the last wave goodbye. Our family still talks about the great time we had and it's a memory that will live on for generations. We are all so grateful to The 4 Eagle Ranch for helping make our time in Vail wonderful and memorable."

Leslie Nettelmann, Nettelmann Family Reunion, July 2014 (45 Guests)

"Recently I held a staff meeting in the Rockies and needed a great place to let the team 'de-compress' for an afternoon. 4 Eagle Ranch was just the spot. After an afternoon ride and activities with the 4 Eagle Team, a great dinner and relaxing by a bonfire, the team was so inspired that we were able to bulldoze through a long agenda quickly and efficiently allowing for an encore visit and horseback ride the following day. Kudo's to the 4 Eagle team on service, friendliness, and atmosphere. We'll be a returning for sure!"

Chris McDonald, Compass Group, May 2014

"I wanted you & your whole team to know that our family reunion's visit to 4 Eagle Ranch was the highlight of the reunion. Everyone (all 55 of us) had a wonderful experience. As the local quarterback for the reunion, you & your whole team couldn't have been more helpful, welcoming, & customer driven. This included your help in planning the event specifics including the hayrides, dinner, line dancing, steer roping and fireside roasting of marshmallows. The night of the event went off without a hitch, and all three generations had an equally great time due to the wonderful setting of your ranch, the fun activities, as well as your team of cowboys & cowgals who gave us all a true Western experience. You can be sure that you will see me again, & we already have related our very positive experience to many friends. Thanks again for everything."

HERE'S WHAT THEY'RE SAYING . . .Continued...

Jennifer Volckmann, Events manager for the Redwood City, CA, Open Wave Systems, Inc., as quoted in the February 2006 issue of Corporate & Incentive Travel Magazine, had this to say about her meeting & event criteria and experience at 4 Eagle Ranch:

“Beginning with skeet shooting, then lunch on the trail, followed by a three-hour ride atop a horse driving cattle, the entire day made us all feel like city slickers. Certainly there was networking, but in this fun setting we were able to loosen up as we yelled ‘yeehaw’, moving the cattle along the trail. Our attendees commented that this day would stand out as an event to remember. Afterwards, we enjoyed a traditional BBQ with checkered tablecloths and a local band. We had the opportunity for business in a casual setting with no pressure, a few beers, and lots of laughter. The final results? We closed a deal three weeks after this event, and we were told that experiencing this relaxed schmoozing was the ticket!”

“Located a short drive from Vail and Beaver Creek, the 4 Eagle Ranch offers meetings a unique taste of Colorado’s Old West. In the original setting of an 1880’s homestead, in addition to traditional ranch activities, the 4 Eagle Ranch also boasts an on-site chef and fully equipped kitchen. From timing and transportation to meals and beverages, from bands and dance instructors to roping machines and storytellers, the 4 Eagle Ranch and the surrounding Rocky Mountains are truly a unique experience for meetings.”

Corporate & Incentive Travel Magazine, February 2006

“TIA’s Summer Board of Directors meeting couldn’t have ended their time in Colorado in a better place than your beautiful ranch. I wouldn’t hesitate to recommend 4 Eagle Ranch to anyone traveling to the Vail area. In fact, I would say it’s a ‘can’t miss’ place to visit either for a group or for a family cattle ride.”

Barbara Logan, VP, Meeting & Event Services for Travel Industry Association, July 2008 (90 guests)

“I just got back from 4 Eagle Ranch and I cannot thank your staff enough for such a spectacular time! It was an incredible night! I’m walking on air with the amount of compliments and thank yous I have received from my attendees. It was a night they will never forget!”

Heather Perrone, CMP, The Dannon Company, June 2008 (40 guests)

“Atmosphere was perfect- everything about the ranch was an awesome experience. I can’t tell you how happy I was about this whole experience. I will highly recommend your facility to everyone! I hope to have another event and would like to try it in the summer time!”

Cindy Westover, Pepsi Bottling Company, December 2007 (60 guests)
