

# Day-Of Planning

Day-Of Planning is designed for the couple that has everything put together - and wants to ensure that everything runs smoothly on their wedding day.

## **DAY-OF PLANNING INCLUDES:**

- A consultation to review your current plans, any concerns, as well as all vendor and venue information
- Unlimited email, phone, and texts during office hours, beginning up to 6 weeks before your wedding day
- Creation and execution of wedding timeline
- Checklists and timelines for all vendors
- Confirm with all vendors
- Management of your entire wedding day from start to finish
- Management of vendors
- Management of the Bridal Party and appointments
- Ensuring that all vendors are on time, set up, and torn down according to plan
- All special requests are executed accurately and on time
