Looking for something different for your next big event? Tired of the same old party food? Mama Bird's has got you covered.

We cater birthdays, weddings, baby showers, corporate events, graduations, and even sporting events. You pick the type of cookies and flavors of ice cream you'd like, and we do the rest! Or, if you'd like something a little more custom, you can create your own flavor and name! Allow us to serve your guests from our beautiful, vintage ice cream cart. Our chalkboard will list your customized menu!
