# General Event Information

## Q Bar and Grill offers events morning through evening

Quite often we host several events in the same room at different times during the day. Please keep this in mind with your party schedule and preparation.

-We allow ½ hour prior to the start of your event for you to decorate/setup. If you need additional time please request when booking your party.

-At the conclusion of your event time we may have another event scheduled after yours. If your group would like to continue to enjoy Q Bar and we are open to the public at that time, they are more than welcome to move into one of our other areas that are open to the public, i.e., the main bar.

-If we do not have an event following the conclusion of your party then your room will open to the public at that time. If you have gifts, or other personal belongings in your room, we recommend that you move them out to your car prior to the room opening to the public. If you need assistance with this our staff will be happy to help you. Q Bar is not responsible for personal items that may get lost or stolen.

-**Extensions:** If you would like to extend your event the day of your party and we have the ability to accommodate- please speak to our Event Coordinator or Manager on duty.

## Wednesday-Saturdays

Q Bar and Grill is a very popular Facility. We offer DJ and dancing on these nights and live bands. You and your guests are more than welcome to partake in the entertainment in the public areas of the club.

-Keep in mind that because we are a popular place to have a good time that once your event ends there will be regular patrons entering the the room for the conclusion of the night.

-Please note: that at the conclusion of your event we may be setting up for a band or DJ to perform for the balance of the evening in the space that you had rented earlier.
