

WINCHESTER MYSTERY HOUSE

GARDEN SCAVENGER HUNT

The Winchester Mystery House "Garden Scavenger Hunt" is an interactive team building activity. Teams follow clues that lead them through the Winchester Gardens in search of hidden jigsaw pieces that they need to recreate a vintage photo of the Winchester Estate. The first team to find all the pieces and complete their puzzle wins a prize! This is a great activity for getting a group of co-workers, friends, or family members together for a fun and competitive outdoor activity!

\$51 per adult, \$46 per child – 15 guest minimum includes mansion tour and scavenger hunt

The Activity

- 1 Your group will be divided into teams of no more than 10 people each.
- 2 Each team will be supplied with garden maps and clues containing all the information necessary to find and complete its puzzle.
- 3 There will be a total of 8 clues hidden throughout the Winchester Gardens, each leading them to the next clue.
- 4 Clues will be numbered so when each team finds the hiding place they will only take the next clue that is for their team.
 - While many of the clues will be in the same places for every team, each team will have a clue or two in a unique hiding place to ensure teams are not merely following each other around.
- 5 There will be a time limit of approximately 30 minutes to find all of the clues.
- 6 The final hiding place will not contain a clue, but will have an alternate item to signify the team has successfully found all clues.
- 7 Once all clues have been found, the teams will go back to the Winchester courtyard to continue their event.
