BROADWAY 10

Private Dining Room Options

We have two private rooms and two semi private rooms available for booking. You can view photos of these rooms on our website.

The private room options are below:

The *New York* Room seats up to 30 people for a sit-down dinner and has a \$1200 Food and Beverage Minimum and a \$150 Room Rental.

The *Chicago* room seats up to 20 people for a sit-down dinner and has an \$800 Food and Beverage Minimum and a \$75 Room Rental.

The semi-private rooms are located upstairs on both sides of our Mezzanine seating and overlook the Main floor of the restaurant:

The *Atlantic City* semi private room seats up to 36 people for a sit-down dinner and has a \$1200 Food and Beverage Minimum and a \$150 Room Rental.

The *Las Vegas* semi private room seats up to 20 people for a sit-down dinner and has an \$800 Food and Beverage Minimum with a \$75 Room Rental.

To rent out the entire upstairs Mezzanine (both semi-private rooms) will require a \$2000 Food and Beverage Minimum and a \$200 Room Rental. This space can accommodate a maximum of 60 guests, however the space is split by a large staircase. Therefore, renting out the entire Mezzanine is not recommended for speaker events or events where all the guests need to be seated close to one another.

Please be aware that there is no elevator access to the upstairs semi-private rooms.

All of our private and semi-private areas are equipped with large Flat Screen TV's that are connected to Apple TV. We can also connect PC Laptops through HDMI and VGA. We offer cables, adaptors, slide advancers and wireless microphones. There is a \$50 charge to use our Audio/Visual Equipment.

We offer pre-set menu options in addition to our regular menu and they are included in this attachment.

To tour the rooms or book any of our spaces for your event, Contact Calia at 405-212-3949 or calia@eatdrinkpc.com.
