

Perfect Sounds DJ Service

Do you want a professional full-time DJ company? Since 1980 we have performed over 1750+ weddings. We are a licensed (AVLA) and a \$2 million insured company that can play in Banquet Halls, Convention Centres, Conference Venues, Outdoors, and any entertainment establishment. Ceremony music is also available.

When it comes to Lighting Systems, and Audio Equipment we only use professional grade in the industry. From custom Gobos to Uplighting, and Photo booths we can design the event to your theme or liking.

For more www.facebook.com/perfectsounds

Our music library is a wide range of genres from 1935 all the way to the TOP 40 of today we will play a mix of music to please your entire guest. We also place request cards on all the tables. So if you're looking for a DJ Service that is tried and true and has the experience and the expertise to put on a great show for your big day then call our office and let's get the party started!
