

CORPORATE MEETINGS & EVENTS  
**THE CITRUS CLUB**

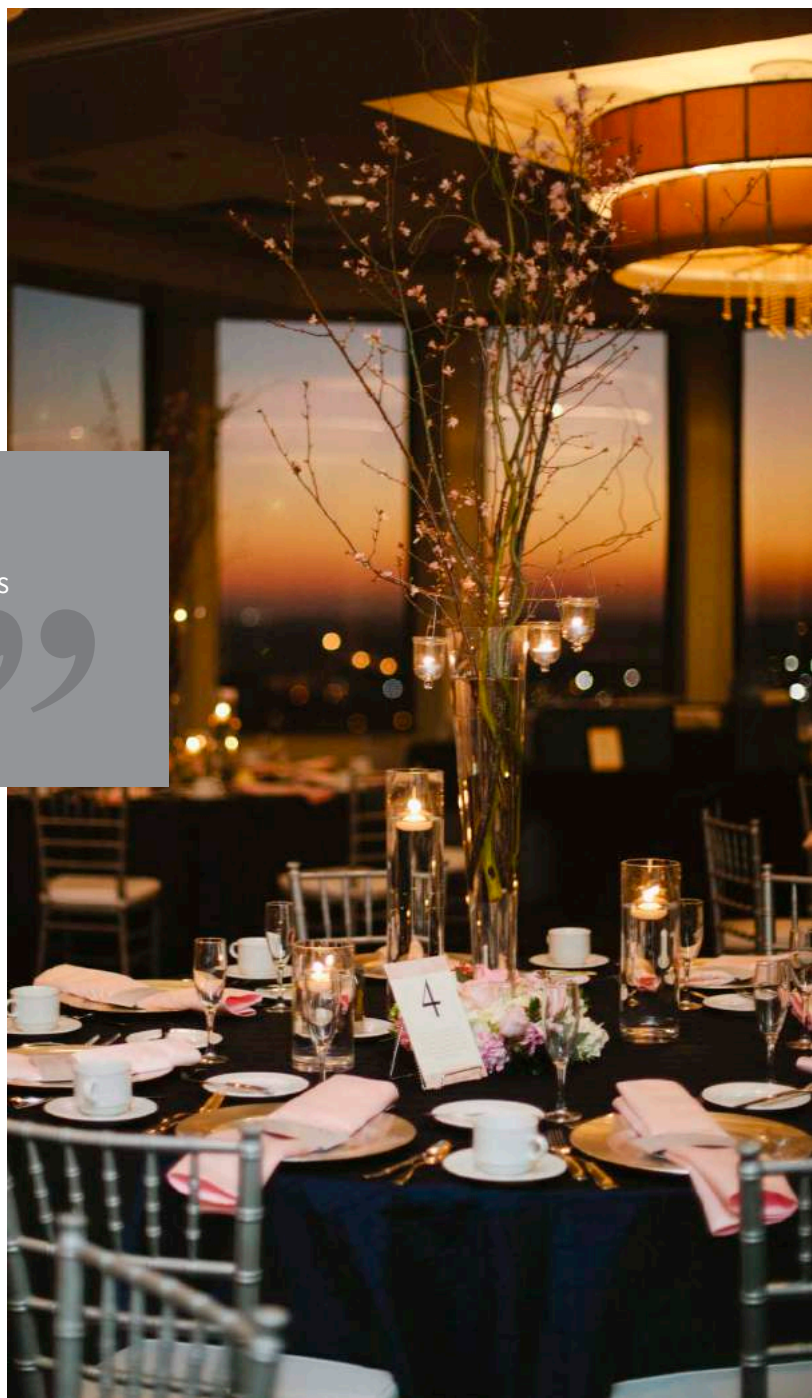

“This years attendance was almost doubled from last year which I know is directly tied to your venue because our guests are so impressed with the views and service. I appreciated seeing so many familiar faces with the event staff and managers. The improvements to your IT system were very useful to us last night as well and all the staff were very accommodating to make sure everything was right.”  
*Cynthia with Florida State University*

“Wanted to thank you all for a wonderful dining experience. It was enjoyed by everyone-especially the desserts!”  
*Chris Joyce*

“Jessica and her team where a pleasure to work with, accommodating, flexible and a key component to our event being executed with excellence. We anxiously anticipate hosting our next event at the Citrus Club.”  
*Lena Graham with African American Chamber of Commerce*
