Thank you for your interest in having Lafayette Brewing Company host your next special event! Over the past 20 years we have hosted many events at the brewery including: class reunions, business rewards dinners, graduate student socials, birthday parties, rehearsal dinners, and weddings.

Our beer hall seats up to 120 people and can host groups of up to 300 for cocktail style receptions. The room includes a stage, projection screen, microphone, 3 claw-foot pool tables, foosball, and indoor cornhole boards. For smaller groups we offer reservations in our first floor restaurant (some restrictions apply).

We offer a variety of menu options keeping in theme with our brewpub roots and we are happy to accommodate special requests. Within our Special Events Menu you will find several options to choose from for breakfast, lunch and dinner. All of our options can be served either buffet style or family style for a more intimate feel.

If you are interested in turning your event into a beer pairing or if you would like to add a brewery tour to your event, just ask! We are proud of our award-winning beers and would love being given the opportunity to tell you a little more about what's happening here at LBC!
