Who are the Shriners?

Shriners, or Shrine Masons, belong to Shriners International. The Shriner International is a fraternity of approximately 300,000 members. Founded in New York City in 1872, the organization is composed solely of Master Masons. The Shrine is best-known for its colorful parades, its distinctive red fez, and its official philanthropy, Shriners Hospitals for Children, which is often called "the heart and soul of the Shrine."
