Pricing as of August 1, 2016

## The Booth

This Photo booth was designed by Disney Photographers and Animators and has the top of the line software to allow for literally anything you could imagine.

Every booking also includes a minimum of 1 full-time attendant that will monitor the booth throughout the duration of your event!

All Pictures are printed on a 2x6 strip with 4 images. You can also choose to print images in a 4x6 or even a 5x7 instead of the traditional 2x6 strip, which is included.

All rentals include the Photo Booth, a Printer with unlimited 2x6 strip prints and a box full of seasonal props that we change for seasons or holidays.

4x6 Prints **\$200**

5x7 Prints **\$250**

**Photo Booth**  
**Unlimited 2x6 Prints**  
**Full-Time Attendant**  
**Huge Box of Props**  
**\$199**

## Social Media

Apart from just printing the strips. There are other media options available to suit the needs of any type of event!

Allow your guests to upload their images from an iPad after taking their photos, to any of the major Social Media Networks instantly!

**Social Media Upload**  
**(On-Site WiFi Required)**

**\$150**

## Scenery

If you are looking for a completely open concept to allow huge groups of people to take pictures, then a scenery is your way to go.

We currently have 2 options for your background scenery, you can go with a natural light color, or a neutral dark color. Both of which are of high quality, high grade material and guaranteed

to add class and elegance to your photos!

**Background Screen (Black or White) \$75**

## LED Inflatable Booth

The LED Inflatable Booth is what really sets our booth apart from the rest. These lights can be seen from miles away and are an exceptional addition to your party to add the elegance and attention that you may need!

This LED Booth can change into thousands of colors and can be controlled from an iPhone/Android app right in the palms of your hands.

You can also set it to strobe through any colors you've setup, set it to repeat the sequence, and even have it going to the beat of the music. Its super easy and fun!

**Inflatable Booth \$100**

## Projectors & Monitors

Want to really draw attention to your booth? Add a projection or screen to your order. We have options for projectors, as well as multiple size LCD/LED Screens. We can place these anywhere at your event.

The Screens can display either what is going on inside your booth, or we can have it rotating through a slideshow of all the photos taken so far at your event!

**Monitors & Projectors  
Call for Details**

## Corporate & Event Specific Branding

There are so many options for branding to make your corporate events that much more stunning!

Currently we have options for custom branding your photo strips, the touch screen monitor of the fotobooth, the fotobooth unit itself, as well as custom branded props!

The ideas for branding are limitless and we are willing to do anything it takes to meet your needs. We have professional designers that will customize everything you need, to show off the brand that you've worked so hard for!

**Branding & Custom Props

## After Event Options

We offer all of our guests the option to save the images that were taken after their party.

We can deliver your photos either via email, on a CD/DVD Disc, or on a USB which can be provided onsite at the end of your event!

We also provide a fun option. We can take all of your photos and professionally create a slideshow animation of all the images with background music to follow, this way you can have it repeating on a monitor in the office, show it off to friends, or even add it to your YouTube or other Social Media page!

**Email of All Photos \$75**

**CD/DVD/USB of All Photos \$100**

**Slideshow with Background Music, Custom Message & Animated Transitions \$200**
