VINEYARDS

SIGNATURE EVENT EXPERIENCES

Established in 1978, Pine Ridge Vineyards produces classically proportioned, expressive wines that embody our history and distinct place of origin. With meticulous attention to detail, our events showcase our unique venues and offer your guests an unparalleled experience in Napa Valley. From winery cave tours to elegant group dining, Pine Ridge Vineyards offers sensory and culinary experiences that meet the needs of any group – we are the perfect place to rejoice in the best things in life.

Your event experience begins with a reception including passed Hors d'oeuvres and our highly acclaimed wines, served on our Terrace or in our Tasting Room. Guests are then treated to a tour of our vineyards, followed by a stroll through our Cabernet Caves and culminating with a stunning reveal of our Signature dining area in front of our Dale Chihuly glass sculpture.

Also available is a Signature Lunch, which takes place in our Demonstration Vineyards or our Cabernet Caves. Pricing does not include applicable tax and service. Minimums may apply for smaller groups.
