

## Storybrook Farm Wedding Services

For up to 150 people

Available mid-April through the end of October

**Option 1, Fairytale Wedding:** With this package we give you guidance with wedding consultation from the time of booking to your event as well as a personal wedding assistant who can "take the reins," so to speak, of event logistics (like finalizing details with your other vendors and creating event timelines) in the month leading up to your wedding so you can just relax and focus on your approaching day. This person will also be here for your rehearsal and on your wedding day to help coordinate your event and vendors, direct your ceremony and help things run smoothly so that you can feel like a guest at your own wedding. Even better, your personal wedding assistant will decorate everything for you, and if you wish to bring in your own decorations in addition to using our items we will work with you to bring your vision to life. She will also have her own assistants to make sure things flow well and on time.

You will receive full access to your choice of wedding decorations and props inside of our Wedding Vault including all of our basic and deluxe event decor, photo nook, reception lounge and place settings for all of your guests. In addition you will have use of our tent, tables, chairs for your ceremony and reception with set up and clean up service as well as the whole farm to yourselves during your event.

This one day package is \$6995 + tax. If you would like to stay onsite overnight you can add nights on for a reduced rate of \$500 + tax (normally a \$775 value). When you book an overnight stay you get to use all 5 of the bedrooms (each with a private bathroom), common spaces and kitchen facilities from which you can host a rehearsal dinner (if staying the night before) or after wedding brunch (if staying the night after).

**Option 2, Storybook Wedding:** If you decide that you would rather only have access to the venue space, outdoor event items (tent, tables, chairs, bar space) and not take advantage of our extensive decor options or decorating and event management assistance, or if you already have someone to assist you, that can be arranged for \$5995 + tax. You are welcome to make additions to this including:

- Overnight property rental for \$500 + tax per night
- Month of Wedding Assistant service for \$800 + tax
- or the Full Wedding Vault for \$750 + tax
- If you add both the Wedding Assistant and Wedding Vault full access, you can save almost \$600!

If picking out your venue is one of your first of many wedding tasks ahead and if you feel overwhelmed and wondering if everything will fit into your budget, then I highly recommend checking out this Cost Of Wedding resource to help figure out if this makes sense in the larger picture of your wedding planning: <http://www.costofwedding.com/index.cfm/action/search.weddingcost/zipcode/37659/>

It gives details on the average costs of weddings in the area and how much couples generally spend in the end. What we offer falls into multiple categories on there and ticks many items off of your planning checklist in a great combination of value and convenience, including:

- Decorations
- Center pieces

## Elopement specials for 2 to 10 people

Available Tuesdays and Wednesdays mid-April through the end of October, and weekends mid-November through early April

The Love Story Duet for 2 includes the following:

- Your choice of ceremony locations on our farm, including an indoor option
- Pinterest-worthy decorating service for your ceremony so that your wedding will be as classy as they come
- Beautiful flowers to adorn the bride and groom as they journey down the aisle
- An elegant wedding cake from a local baker
- A 2 night stay in our comfortable B&B with farm fresh breakfasts for the couple (additional nights can be added on)
- A \$50.00 gift certificate to enjoy a romantic dinner out on the town
- A complimentary disc of photos that we take throughout your wedding day. Our photos include shots of your ceremony and reception, but they are not professional grade and do not cover everything of which you may like to have photos (like while you are getting ready, for instance). If you would like a professional's services, then after you book we can recommend a number of fabulous photographers with varying styles and price ranges with whom we have had the pleasure to work. Some of them even give discounts if you let them know that we referred you to them and that you are having your event here.

This package (for 2 people only) is \$750.00 (+ tax).

Your ceremony and overnight quarters will be private and exclusive just to you. However, other B&B guests may be present on the farm during your stay. If you are interested in having the whole farm to yourselves and inviting a few close friends and family to share in your special occasion, then you may wish to consider the Love Story Elopement for up to 10 which comes with a romantic onsite catered reception meal for your group, a coordinator to help with your wedding day logistics, and exclusive use of the farm for a two night stay for your event (\$1750 + tax).

Love Story Elopement Package for 10 includes the following:

- A 2 night stay in our comfortable B&B with farm fresh breakfasts for the couple
- Exclusive use of the B&B and farm for you and your group only
- A delicious catered reception meal for up to 10 people
- A ceremony coordinator who will work with you beforehand to ensure that you make it down the aisle
- Your choice of ceremony and reception locations on our farm, including an indoor option

- Pinterest-worthy decorating service for your ceremony and reception so that your wedding will be as classy as they come
- An elegant wedding cake from a local baker
- Beautiful flowers to adorn the bride and groom as they journey down the aisle
- A complimentary disc of photos that we take throughout your wedding ceremony.\* (See above about photographer recommendations.)
- This package is \$1995.00 (+ tax)

We can do up to an absolute max of 20 with additional \$30 per head charges. If you have a small group of friends and family attending they are welcome to rent our remaining 4 B&B rooms and stay onsite with you to enjoy and celebrate the occasion (breakfasts included; \$130+tax per night) . We have areas with fire kettles for nighttime fires and s'mores, a pond with catch and release fishing, horses and a llama to visit, and fun things to do in close by historic downtown Jonesborough with shopping, restaurants, a microbrewery and distillery.

We can recommend other top professionals for services such as photography, hair and make-up, musicians and DJs, spa and massage services, horse and carriage rides, or any special extras that you would like to have for your event.
