

WELCOME AND TRACK WALK

Get customers acquainted with the track and briefly explain to them the 4 components of their event.

RACING

Every team member will participate in a practice race as well as a qualifier. The fastest racers from each team will advance to a main event race.

BALL CHALLENGE RELAY

Selected members from each team will compete on the track, each team will have an assigned colored ball that they will guide through the track. Multiple members from each team will participate waiting for the first member of their team to cross the finish line then jump in the kart to complete their turn. This event is timed so like any relay event earning the fastest time is the objective.

BLINDFOLD CHALLENGE RELAY

Selected members from each team will compete on the track, navigating through the track with a blindfold on. There will be one designated host from each team, both the host and the drivers will be wearing a headset that will be used for the host to communicate to the driver to guide them through the track. Multiple members from each team will participate waiting for the first member of their team to cross the finish line then they can jump in the kart to complete their turn. This event is timed so like any relay event earning the fastest time is the objective.

PIT CREW CHALLENGE

Four members from each team will participate in this event. Each team member will be assigned to one tire on the kart and they will need to remove the tire and swap the tire with the team member across from them and put the tire back on. This event will be timed as well.

PRICING

\$2200 for the 2 hour minimum required for team building events designed for 25-30 drivers. For larger group \$1000 per additional hour will be added
