*“Now that you have said “Yes.”  
Where will you say “I Do?”*

# OUTDOOR EVENT SPACE

## *The Pergola*

Sitting in the center of the pecan orchard you will find one of our most popular ceremony sites The Pergola. The pergola, made of cedar, is tucked beneath one of our 100-year-old pecan trees and in its backdrop sits a heart shaped pond with a fountain. Surrounded by 50 acres of pecan trees it's no wonder it's so popular.

## *The Plaza*

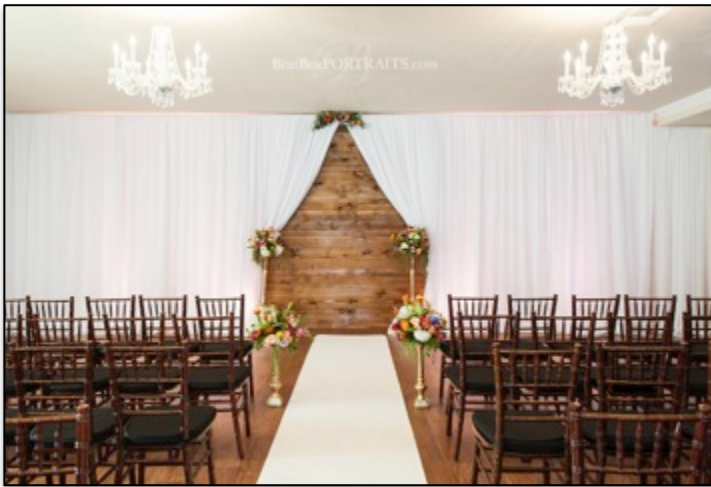

Connected to the reception hall by a wall of French doors is The Plaza. This 2,000 square foot covered area features a two-sided fireplace for cooler months and ceiling fans for the warmer months. The Plaza has endless possibilities. It's the perfect place to hold a ceremony; a cocktail hour or even makes a great dance floor space.

# INDOOR EVENT SPACE

## *The Pecan Room*

The Pecan Room is our newest addition to The Orchard. This quaint room is located right off the main reception hall and is perfect for indoor ceremonies. This room features four crystal chandeliers and a draped wall with accent lighting behind. In the center of the draping the curtains can be pulled back to expose a rustic wood background that serves as a beautiful backdrop for the bride and groom.

## *The Reception Hall*

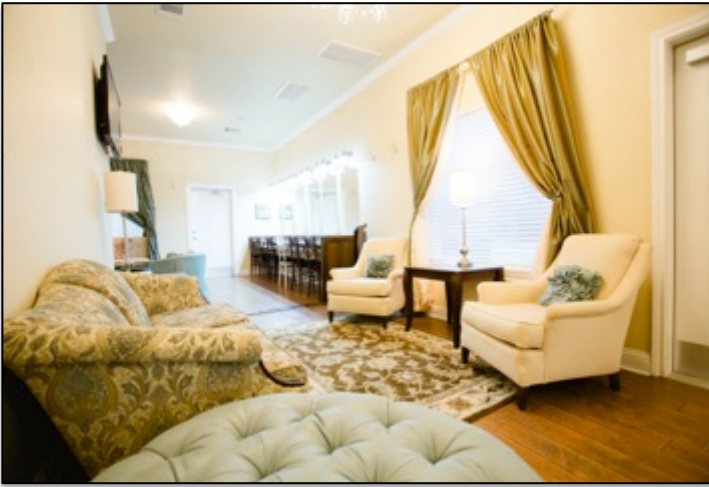

Our 7,700 square foot reception hall is perfect for events of 50 to 400. The room is unique with its stained concrete floors and exposed wooden trusses. Our clients have access to the granite-topped bar, prep kitchen, Bridal Suite, and many other amenities.

## PRE-EVENT SPACE

### *The Bride's Room*

Our Bridal Suite is a comfortable environment with plenty of space for the bride and her bridal party to relax and prepare before the wedding. It is equipped with a six-seat vanity for makeup and hair, a couch, 4 armchairs, love seat, ottoman, and a wall of full-length mirrors.

### *The Groom's Cabin*

The Groom's Cabin is a great separate space for the guys to relax before the ceremony. Everyone will feel right at home with the flat screen, satellite TV and gaming system. The cabin also comes equipped with a small pool table, private bathroom, and cooler for any drinks and snacks beforehand.
