FT-12 Rental

Limited Availability

Q: Does paintball hurt?
A: It hurts just enough that you don't try to get hit during a game.

Q: How old do I have to be to play?
A: We no longer have a minimum age, however we do not recommend for those younger than 8, All players younger than 18 must have a parents permission on a signed waiver.

Q: Can I bring my own equipment?
A: Of course, but we will need to make sure it is shooting at a safe speed, and in semi-auto!

Q: What should I wear?
A: Long sleeves and long pants. The more skin you cover the better off you are.

Q: Can I just show up to play?
A: Yes, walk-ons are permitted.

Q: Can I bring my own paintballs?
A: No. For insurance purposes you must use our paintballs. Once you use your complimentary paintballs provided in the rental package, you may purchase more at a reasonable price.

Q: When are you open?
A: We open Saturdays 10-6 and Sundays 12-6. We also open during the week with advance reservations for groups of 12 or more.

Q: Can I make reservations for the weekends?
A: Yes you can, and it is usually a good idea if your bringing a group of 10 or more.

Q: Do paintballs wash out of clothes? Will they stain?
A: Yes, paintballs do wash out of clothes easily. and normally do not stain as long as the clothing is washed in reasonable amount of time.
