## Availability & Capacity

For open availability please visit our website and go to our calendar. Please note that availability changes daily and we book on a first serve basis. The Dutch Apple has the ability to hold up to 150 passengers (120 passengers for sit down buffet or plated option is recommended). Our cruising season runs from mid-April, to the end of October.

## Catering

If you would like to go through our preferred caterers, Nicole's Catering or Anton's Catering, they can add gourmet meals to your cruise. Please refer to catering menus for pricing and pre-set menu options. You are also welcome to contact either caterer for a custom menu and pricing. Please note that final menu selection and final head count are required two weeks prior to your cruise date. Nicole's and Anton's accept payments in the form of cash, check, Visa, MasterCard, Discover and American Express. You are also welcome to use an outside caterer, at no additional charge. If you choose to use an outside caterer, they will be held responsible for providing all of your linens, tableware, silverware, wait staff, set up and clean up.

## Beverages

No outside liquids or beverages (even bottled water) are allowed to be brought on board the Dutch Apple. All beverages must be purchased through Dutch Apple Cruises. Beverage menu lists open bar, tab bar and cash bar pricing. If you do not wish to have an open bar or tab bar beverage package, a cash bar (where passengers pay by the drink) will always be available.

## Entertainment

For entertainment, we recommend our in house DJ, who charges \$350.00 for a 3 hour cruise. Please note that weddings and other special events are subject to higher rates. You are also welcome to use your own DJ or band, at no charge. Outside entertainers are not allowed to use the boat sound system and will need to provide all of their own equipment and speakers.
