Although our mobile taco carts can prepare a variety of delectable meat choices such as beef, chicken, shrimp, etc., we also offer vegetarian, meat-free selections such as tomato and jalapeno tacos. Every plate we prepare includes freshly made flour or corn tortillas, Krazy Lizards legendary salsas, and fresh accompaniments of shredded cabbage and cilantro (lettuce available on request), diced onions, Cotija cheese, citrusy limes, and pico de gallo.

Additionally, our modern carts operate independent of any power source, so there is no need for any electric plugs or extension cords. This makes Krazy Lizard Taqueria ideal for catering your next picnic at the park, on-site corporate event, or tailgating etc.! By helping you out with the cooking Krazy Lizard Taqueria lets you spend valuable time socializing with friends, family or business associates
