Wedding Testimonials

"Diana we could not be happier with our pictures! We kept finding photos that made us laugh or captured the moment just right. Thank you for both your flexibility, presence, and attitude. I will be recommending you to any and all who are looking for a photographer!" -Justin M.

"The photos are breathtaking. You captured precious moments artfully and poetically. We love them and that's an understatement!" -Lauren & Byron

"The photos are WONDERFUL and FANTASTIC!!! So many, many, many great shots to choose from. Everybody has been buzzing about them! You captured every stage of the wedding from preparation to ceremony to dancing to afterparty, always beautifully. We're so happy and can't thank you enough!! I'm already terribly nostalgic. We should get married every summer." -Josh H.

"AMAZING! I love each one - you did such a fantastic job capturing the mood of the whole weekend and all the faces of our friends and family. From the deepest part of my heart, thank you!" -Davinia T.
