

COME BE OUR GUEST.

ABOUT YOUR FRIENDLY NEIGHBORHOOD GASTROPUB

Located in Brickell, the heart of downtown Miami, Batch Gastropub takes a modern approach to dining with a contemporary menu from our 100% scratch kitchen. Menu highlights include our signature mac & cheese made with potato gnocchi with aged gruyere cheese, a prime beef brisket burger, country fried chicken and waffles, rum soaked French toast, brick oven pizzas and a host of vegan/gluten free options like our roasted cauliflower and charred carrots with coconut curry. Our signature cocktails on tap, house infused spirits, classic cocktails, and wide variety of craft beers from all over the country tie together an unforgettable culinary experience with a genuinely good time.

Batch Gastropub features 14 TV's, 3 pull-down 150" projectors with full A/V capabilities, and a state of the art sound system which facilitates hosting any style of event. The interior is a welcoming space set in old world brick, rich wood, white marble, and custom milled copper beer towers. Five unique "tap tables" allow for individual parties to exclusively serve themselves from a variety of beers and spirits. The warm space boasts local art, industrial fixtures and even a map highlighting where the restaurants ingredients come from, all combining to create a fun and interactive atmosphere perfect for enjoying a great meal, having a fine cocktail, hosting an event, or simply grabbing a late night bite in our kitchen which is open until at least 3am every day.
