

# General Information

*Once your date has been selected, Lone Star Golf Club will require a \$500 deposit to hold your date. We are unable to guarantee your date until deposit is secured.*

*Any of our events that will have a guest count of over 100, and alcohol is being served, will be required to have security. This is contracted by Lone Star Golf Club through the El Paso Police Department*

*We do have some freedom with our venue being outdoors, however, we do not allow glitter or confetti. Our Events Coordinator is available to answer any of those questions that might arise.*

*Our venue area is a 5 hour event up to 1am. The wedding area will be available the day before your event, as well as the day of your event for decorating and approval purposes. Your event planner can answer any additional questions that you might have.*
