Frequently Asked

What do I need to Book an event? Contact a D&B Sales Representative and they'll put together a contract for you. After reviewing the

terms of the contract, just sign and return the contract along with a 50% deposit. We accept payment by credit card, cash or company check. Then, invite the people and we'll do the rest!

Can I call in the day of my event to make a reservation? D&B does not take standard reservations. We step it up a notch and book special events! Our Special Events department can help you turn a simple trip to D&B into a great time for everyone! We'll guide you through the entire process so that on the day of your event, all you have to do is show up and have an awesome time!

Can I hold event space without a deposit? As a courtesy to you, we can hold event space for 72 hours after booking. This gives you time to solidify the details of your event. After 72 hours, a deposit is required to guarantee space for the day of your event.

How far in advance should I call to book my event? The sooner the better! Our unique combination of food and fun means that event space at D&B fills up quickly and we don't want anyone to miss out on a great time.

Can I bring in outside food? D&B offers a full-service, American-grill style menu. Our food is so fantastic, there's no reason to bring in anything! The one exception to this rule is that we do allow store-bought birthday cakes into our facility. We do not, however, allow ice cream cakes. Storage space in our buildings is limited, and ice cream melts. Melted ice cream is no way to celebrate.

Do I have to purchase a buffet for my event? For events of 20 or more, we serve meals buffet style. Buffets are priced and portioned per guest, and ensure your guests spend more time having fun rather than waiting for food.

What is the buffet price for children? We do offer some buffet options specifically for kids' events. Our standard buffet, however, are portioned for adults and there is no separate pricing for children. If you have a significant number of children in your group, our Special events team can discuss options further with you. After all, kids love D&B too!

Why are gift cards not an acceptable form of payment for a special event? If you receive a gift card, we encourage you to spend it on yourself, not an event. Someone wanted YOU to have a good time, so go ahead and be selfish.

What is a revenue minimum? A revenue minimum is a specific dollar amount that must be spent in our event areas before tax and gratuity. This amount can easily be met with the purchase of food, beverage and Power Cards. If you choose to spend more than the revenue minimum, we're OK with that too.

What happens if I go below the 10 – guest minimum? We do require a minimum of 10 guests to reserve space through Special Events. If you are not going to have 10 people attending your event, you can easily walk in and have a great time.

What if some of my guests do not show up? Do I still pay for them? When booking a special event, we require a final head count five (5) business days prior to your event. This will guarantee proper staffing, food preparation, and room set up for your event. You'll be charged for this final guest count or the number of guests in actual attendance, whichever is higher. Encourage your guests to RSVP and show up for the fun!

What happens if more guests arrive than the contracted amount? Just let the manager on duty know when you arrive, and they will do their best to accommodate you. We've heard of the old adage "The more the merrier!" but at D&B, we like to be prepared to give you great service. The more accurate your headcount, the better your service will be!

Does Dave & Buster's provide decorations, invitations, or goodie bags? While we don't provide these items, you are certainly welcome to bring them in. We do ask that you do not bring in confetti, glitter, sand, silly string, or anything else that makes a complete and utter mess. You may provide goodie bags, but they cannot contain any homemade food. This is our way of encouraging you to spend less time in the kitchen and more time at D&B!

Need Evites? Visit: <http://www.punchbowl.com/invitations/#category/daveandbusters>

What is a chip? How many chips are used to operate the games? A chip is a game credit at D&B. We have hundreds of games in our Million Dollar Midway that range in price from 2.4 chips to 24 chips per game. The average for games is typically 4-6 chips.

How much game play does a \$10 Power Card provide? How about a \$20 Power Card? A \$10 Power Card contains 48 chips. This provides approximately 20-30 minutes of game time, depending on skill level of the player, along with game selection. A \$20 Power card contains 100 chips. This provides approximately 45-60 minutes of game time, depending on skill level of the player, along with game selection.

A few words about our younger guests:

Dave and Buster's welcomes you and wishes you the Best of Times during your visit with us. We respectfully remind you that Dave & Buster's is primarily an adult establishment. We have long-standing house policies relating to the admission, conduct and safety of underage guests. These policies, listed below, also are posted prominently at our front entrances.

1.) For admission, guests under the age of 18 must be accompanied by a parent or guardian. A guardian is a person 25 years of age or older who agrees to be responsible for the conduct, supervision and safety of the underage guests.

2.) One parent or guardian can accompany up to a maximum of six underage guests.

3.) While at Dave & Buster's, underage guests must remain with their parent or guardian. Our other guests appreciate this as our insurance carrier requires it.
