

## The Wish

The Wish is our “Day of” coordination package which actually begins 30 days prior to your event. This package is designed for couples who have their day well in hand and are in need of someone to keep everything on track and running smoothly. The Wish package will allow couples to have a worry free wedding day and rest assured that the mother of the bride will not be chasing down the rental vendor for missing pedestals while she is supposed to be with her daughter sharing those last intimate moments before she goes from Miss to Mrs. This package does not include any design work.

Prices begin at \$1500
