CLEAN-UP AFTER THE EVENT:

---

It is recommended that you allow at least 1-hour for clean-up at the end of the event to prevent overtime charges.

- Boulevard Catering provides the clean-up of extra food, cake, and food service items as well as trash/garbage removal leaving the wedding party responsible only for removing any personal items and decorations brought onto the site for the event.
- Rental items provided by Tri-County Rental (tables, chairs, linens, tents, etc.) can typically be left in place at the end of the event with the exception of table cloths which should be removed from the tables by the caterer, folded and placed under cover on the porch. Tri-county Rental Company will pick-up on the day after the event including Sundays.
