The Experience

Dining at Rodizio Grill is an experience unlike any other, and one that you and your guests will remember forever.

You and your guests will enjoy unlimited hot sides, and gourmet salads plus the tradition of the *churrasco*, or Brazilian Steakhouse, as our Rodizio Gauchos parade around the dining room with 3-foot skewers of open-fire grilled meats, carving them table-side just the way you like them.

Our Gourmet Salad Bar features fresh, chef-prepared salads as well as a selection of charcuterie and vegetables that will delight any palate.

When ready, Rodizio Gauchos will make their way through the dining room with a rotation of 3-foot long skewers of grilled meats and our famous grilled pineapple, carving all of them table-side.

Drink and Bar options, as well as dessert packages are also available. From start to finish, we've got you covered and are here to help make your event perfect in every way.

Room Descriptions & Seating Capacities

A variety of spaces are available to fit almost any group's needs. Private, semi-private, and middle-of-the-action areas are all available.

Several areas are configurable to your needs with rounds, Long Banquets, Private Board Rooms, U-Shaped or Classroom Styles.

São Paulo Room - 45 People - Semi-Private

With rich earth tones, this semi-private dining room embodies the casual elegance of Rodizio Grill. A divider separates you from the other semi-private room. Leave the curtain open to experience the ambience and excitement of the main dining room or close it for a more secluded affair.

Rio Room - 30 People - Semi-Private

Host your event in the Rio Room and enjoy the beauty of the Brazilian atmosphere. Gorgeous coconut-inlay tables make up the spacious floor plan, and a divider separates you from the other semi-private space. This room is easily accessible from the salad bar, making it an excellent choice for those who don't want to stray far from the table.

Carnival Room - 42 People - Private

Our most private room is the perfect location for small, intimate receptions. With a Smart TV hookup for presentations, it is also perfect for a business meeting or working luncheon or dinner. Enveloped in warm crisp earth hues and a large window overlooking the beauty of Carmel, the Carnival Room is a wonderful place to enjoy the warmth and abundance of the Rodizio experience in a quieter setting.

Rio and São Paulo Room - 75 People - Private

The combination of our two most popular rooms will have double the space to seat a larger party and absolute privacy if you desire. Experience private dining in a restaurant setting with easy access to the salad bar. This is an ideal room for any party with beautiful coconut-inlay tables and chairs making up the warm decor.

Full Restaurant Buyout - 250 People - Private

For parties of 175 or more, enjoy the luxury and abundance of Rodizio Grill all to yourself. Large leather booths spread across the interior with beautiful tables and chairs filling in the rest. This is the perfect setting for a stunning wedding reception, large conference or any other special life or work celebration. We offer many options to personalize the experience and make your special day perfect.

Dine at Your Own Pace

Due to our concept, and the elimination of the ordering process, a typical dining experience for a large group will last from 1.5 - 2.5 hours. Events, however, can be fit to your needs. This style of dining works well for groups with limited time, but can also be scaled to accommodate a more leisurely pace - with cocktail and hors d'oeuvre receptions available.
