“Great Hotel & Amazing Staff

The location of the hotel is excellent with numerous restaurants within walking distance. New property so very clean and modern. What made this hotel amazing was the staff. I currently work at another brand hotel and I could only wish our staff was as great as the men and women at this hotel.”

“Welcome Home

I recently returned from a trip to Trinity, Florida. My daughter, myself and my 8 month old grandson were fortunate enough to stay in the Trinity Holiday Inn Express. The service at this hotel was outstanding. The staff were warm and greeted us each day by name. The hotel was clean and the grounds were well maintained. The pool area is akin to a resort, housing comfortable wicker furniture, a heated pool, and a hot tub, not to mention areas to relax with a coffee or have a little meal. Each morning we ate at the included breakfast buffet.”
