"YOU GREET YOUR GUESTS, WE'LL DO THE REST"

Legacy

Our building has seen many modifications since its incarnation as a horse barn c. 1850. In 1967 Jean & Stanley Zamiara purchased the "Plante-ation" from owner Frank Plante. They changed the name to Plantation Pines Party House and a family tradition was begun.

Today Sue & John Zamiara and The Plantation Staff continue their trademark hospitality with personal attention to every detail, excellent service, an legendary food. We host only one party at a time to ensure you our undivided attention.

Our maitre d' will direct your entire function from the time you arrive until the last guest has departed. You can rely on our formally attired staff to provide the excellence we are so well known for. You will be free to enjoy your day.
