LANIER MANSION
INDIANA STATE MUSEUM
HISTORIC SITE • MADISON

A wedding has different needs than a meeting. A corporate retreat is not the same as a baby shower. At Lanier Mansion State Historic Site, we have a variety of spaces that are suitable for a wide array of events.

Located on the banks of the Ohio River, Lanier Mansion State Historic Site is considered the “Crown Jewel” of Madison’s historic district. One of the best examples of Greek Revival architecture in the country, its beautiful façade and unique event spaces offer a one-of-a-kind setting for your special event.

Guests will enjoy their time at this historic venue. James Franklin Doughty Lanier was one of the most important and influential figures in 19th century Madison. He hired Madison architect

Francis Costigan to design this remarkable home, completed in 1844. The mansion exhibits many original Greek Revival features including its square plan, full façade porch on the south elevation, Corinthian columns on the south portico, Doric pilasters that appear on several locations on the exterior, the massive exterior entablature and dentilated cornice, ornamental anthemia & pediments over the windows and doors, and the Ionic columns that separate the double parlors on the first floor.
