HOSPITALITY  
GROUP

## OUR STORY

**Born and bred in Colorado,  
The Tavern Hospitality Group is  
family-owned and operated.**

We started our company in Denver in 1997 and now have Tavern locations throughout Denver and Colorado. Our goal has always been to create gathering places for family and friends to get together for great food and conversation in an atmosphere just like home. We like to give a unique quality to our locations by designing each Tavern to take on the flavor and personality of its neighborhood.

Our music venue, The Soiled Dove Underground also provides an amazing concert experience or private event space in the heart of the Lowry neighborhood. The Cowboy Lounge is LoDo's only country rock bar and with its large stage and dance floor offers the true Wild West experience for corporate and private events.

We take a lot of pride in the quality of food we provide to our guests. Our eclectic menu features a wide variety of options using only the freshest ingredients. We're proud to support local businesses by using as many local products and vendors as possible.

**WE THANK YOU FOR JOINING US  
AND HOPE YOU FEEL AT HOME AT THE TAVERN.**
