

Events at Samovar

Samovar is an alternate reality. A place where we can step out of the normal day to day. A place where we invite people to slow down, to inhabit the present moment, to disconnect in order **to connect**.

We host corporate events, holiday parties, wedding shower's, wedding receptions, baby showers, family reunions, you name it because Samovar Tea Lounge is a place where people can truly experience the joy of being human, present, and connected.
