PARISH

Unique people, delicious food and good-for-the-earth goods all come together at The Brasserie and Neighborhood Café at PARISH. Step off the Beltline and join the vibrant culture of Inman Park at its core. Located in the historical Terminal Building built in 1890, the only remaining structure from an old pipe factory, PARISH has restored the space to its original grandeur. Whether you venture upstairs to the Brasserie or head downstairs to The Neighborhood Café, expect to find inspired familiar American food, inventive beverage, and warm hospitality.
