# SCHAFFER

We are your event hospitality partner.

We believe that event hospitality is the experience that unifies incomparable food, gracious service and informed design.

We believe in the power of collaboration and creativity. We don't simply *cater to you*, we work with you to uncover your vision and enhance each and every experience.

We believe in using high quality local ingredients prepared thoughtfully without compromise.

We believe in environmental responsibility. Each day we strive to reduce waste, source locally and conserve resources.

We believe in our people and community whose dedication, passion and rigor fuel everything we do.
