

A PROFESSIONAL MOBILE DISC JOCKEY & EVENT PRODUCTION COMPANY

Welcome...

Congratulations on your engagement and thank you for taking the time to learn about the benefits of choosing Raptor Productions, a boutique-style DJ company.

As you plan your big day, you'll have many options for disc jockeys at various prices, some high, low, or somewhere in the middle... but how do you know what services you'll receive for the price you pay? Will you get the owner of the company, or a DJ that will be selected a few days before your wedding? Choosing a DJ isn't an "apples to apples" comparison - you should feel comfortable working with your entertainer from your first meeting. Is he or she knowledgeable about their industry, the planning process, your venue, or the latest trends in music and event production?

As an experienced DJ and Owner/Operator of Raptor Productions, I can guarantee your utmost satisfaction. I work with my couples from start to finish - serving in the roles of both DJ and wedding planner. I work with your other vendors to ensure your wedding reception runs smoothly so you can relax and enjoy your wedding.

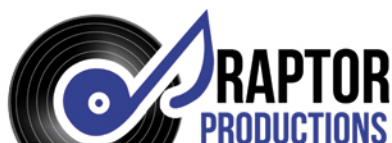

Want to learn more about how I can help you have an event that your friends and family will be talking about for years to come?

Visit RaptorProductions.net to check our availability and I'll contact you to set up a free initial consultation over coffee or lunch.

I look forward to meeting soon!

- Chris
