“It was the most perfect event we could have ever imagined.

This past year of planning was so much work, but walking in to the space on our wedding day, it was all of that work, and then taken to an entirely new level. It came to life before our eyes.”

– Sarah, bride

“Choosing SKY Armory for our reception was the best choice my husband and I could have made. The reception was beautiful. Everything I could have ever envisioned came to life! The food was top notch, service was great, and everything was perfect!”

– Nichole, bride

“Our overall experience with SKY was absolutely, undoubtedly, perfect. My wife and I are very detail oriented people and made a lot of demands to SKY which were executed flawlessly. The food was our favorite part: the head chef does NOT mess around. We told him we wanted something outside of the normal Beef, Chicken, and Vegetarian plus we wanted some Ukrainian flair and accents. Our menu was so incredible we could not wait to put it into print on the invite. Still, to this day, people rave about the food at our wedding.”

– Nick, groom
