### Where Innovation & Culture Converge

#### *Come Celebrate your Wedding Events at the Treman Center!*

Enjoy the Treman Center's large classic barn and its Italianate courtyards while experiencing one of the Finger Lakes most scenic parks, featuring a spectacular 2.5 mile gorge and dramatic waterfalls right in our backyard. We are only 10 minutes from downtown Ithaca!

The first floor is all stone opening out onto the spacious Tuscan courtyards with water feature. The second floor has a fantastic dance floor with a Steinway piano, great sound system and perfect for a seated dinner for up to 120 folks. Music can be played until 11 pm. There is a bridal bedroom suite on the third floor for the marital couple to stay in for the night or weekend. This floor also includes a dressing area with lighted mirrors for the bridal party women to get ready with a hair/makeup artist if desired. The entire indoor space is sustainably built and fully heated and includes a large "stage in" kitchen for caterers.

**Rates:** For 2019, venue cost for a full weekend rental starts at \$7000 off season (November-April) and \$8000 peak season (May-October), plus NY State 8% tax, for 100 guests for a destination wedding. Our maximum is 150 people and there is an additional fee of \$15/per person over 100. Off season inside seating capacity is 120. You can also rent the center for one day only at \$1500 less. We have an amazing unique stretch tent that seats 150+ that is available for only \$500. The tent is necessary for seating over 120 with indoor reception, optional for 120 or less with 80 folks reception on first floor. It is a suggested addition for rainy weather or very hot sun as additional staging space.

**Event services offered:** Ceremonial ministry for all rites and pastoral duties (additional fee), lighting/sound set up.

**Provided:** Preferred list of outside vendors for catering, hair & make up, photography, flowers, music, furniture, lighting, photobooth, tables, tent accessories, tents and set up support. We direct you to our preferred rental companies for your tables and chairs for ceremony/dinner (settings & linens if not through caterer) and any other decor you might need/desire. We have a large 22 foot buffet table, eight 6-8 foot tables for bar or other set ups, 30 chairs for outdoors, and assorted vases (30+) to make your own flower arrangements.
