GENERAL INFORMATION

GENERAL INFORMATION

Welcome to the Clearwater Beach Marriott Suites on Sand Key! We look forward to serving you and your guests. Our staff will assist you in every way possible to prepare for a successful meeting or special occasion. The following will help us to ensure success. Rental charges apply to all rooms used for meetings, exhibits and ceremonies booked through the hotel.

FINAL ATTENDANCE GUARANTEE

Confirmation for the number of guests to be served must be received no later than three (3) business days prior to the scheduled function; otherwise the hotel will consider your original expected number of people to be the guarantee for all charges. All hotel charges will be based upon the guaranteed number or the actual number served, whichever is greater. The guarantee number can be increased within three (3) business days of the function; however, the number cannot decrease.

SERVICE FEES AND TAXES

A 21% taxable service charge and 7% sales tax will be added to all food and beverage, audio visual and room rental ordered through the catering department. The Clearwater Beach Marriott Suites on Sand Key reserves the right to inspect and control all parties, meetings, receptions, etc., that are being held on the premises. All federal, state and local laws with regard to food and beverage purchases and consumption are strictly adhered to. All food and beverage must be purchased through the hotel. Food and beverage items cannot be taken off property.

QUALITY SERVICE AND PRODUCT

If the room herein reserved cannot be made available to the guest, the hotel reserves the right to substitute a similar or comparable room for the function. Such substitution shall be deemed by the guest as full performance. A wide selection of audio visual equipment services is available through an in-house supplier on a rental basis. Orders may be placed through the catering department.

DEPOSIT AND PAYMENT ARRANGEMENTS

All functions require an advance deposit. No reservation is firm until the deposit is received. All functions are to be paid with cash or credit card prior to the function. Direct billing can be arranged, but must be approved prior to the function date.

LOSS AND DAMAGE

The hotel will not permit the affixing of anything to the walls, floors or ceiling with nails, staples, carpet tape or other substance. Please consult the catering department for assistance in displaying of all materials. Special engineering requirements must be specified to our catering department at least three weeks prior to the function. Charges will be based on labor involved and power drain. The hotel is not responsible for any loss of material, equipment or personal belongings left in unattended and/or unsecured rooms or areas. All prices are subject to change pending circumstances with notice.

ADVANCE SHIPPING GUIDE

The customer is responsible for the arrangements and all expenses of shipping materials, merchandise, exhibits, or any other items to and from the hotel.
