# Banquet Room Information

Thank you for considering Vinny's on Windward for your special event. The Toscana room is a private dining room and can seat 22 persons. The minimum number of persons to keep private is 17. The Garden room can seat up to 50 persons. Our main dining area is also available, and can seat up to 75 persons. There is no room charge, but credit card information is required to secure the reservation for one of the areas. A cancellation fee will be charged to your account should your party fail to show up or cancel without at least two working business days prior to your planned event.

Parties of 17 or under may order off of our current dinner menu or choose a limited or preset menu if you prefer. Parties that are above 17 guests we ask that you select a limited menu from our banquet menu. This is the same menu for all guests with a choice of salad and three to four selections from our entrée selections. You may then choose up to 2 selections from our dessert menu. We can recommend appetizers to be served "family style", or your guests may order appetizers a la carte. 7% Georgia sales tax will be added to your bill. We always accommodate any dietary requests if possible.

Attached you will find an Accommodation Agreement containing more specific conditions and cancellation fees for a private planned function.

We look forward to helping you plan your special party. If there are any questions please call me so we may discuss them.

Sincerely,

Vinny's Management Team
