Group or Wedding Accommodation Offerings

Options A - Pre-book/Guarantee room reservations. Rooms must be booked under one name and assigned by the host to individual guests. These reservations are guaranteed and are not cancellable; however, rooms may be reassigned by the host. Individual guests may pay their own room charges at check-in, if desired; or charges may be billed to a master account. However, as guarantor, the host remains ultimately responsible for the reservation and room charges. A 10% rate discount would be applied for reservations of 5 or more rooms under Option A. Option A also requires the signing of a booking agreement and a deposit of 25%.

Option B – Assign a number of currently available rooms to specific guests for us hold. Have guests confirm and finalize reservations within 30 days. Any reservation not finalized within 30 days would be cancelled. Cancellation of confirmed reservations must be made within 60 days of the date of travel.

Option C – Hold a number of currently available, specifically designated rooms for 30 days from an agreed upon date, usually the date an invitation is sent, for guests to contact and book a room of their choice directly with us. Any held rooms not booked within the 30 days will be released back into general room inventory. Cancellation of confirmed reservations must be made within 60 days of the date of travel.
