FIESTA DE REYES.

Where history lives and the Fiesta lasts Forever!

Fiesta de Reyes is an experience you do not want to miss! With two world-class restaurants, nineteen unique shops, an outdoor stage with free entertainment for family and friends, and a lush garden courtyard filled with rare succulents, it is the perfect place to fulfill any of your entertainment and dining occasions. Located within Old Town San Diego State Historic Park, our surroundings create an old California backdrop for any social or business event.

Barra Barra Saloon is located on the site of an historic saloon that catered to salty sailors and rough riding rancheros in the 1850s. Our Serrano Room is named after Jose Serrano, the original owner of the saloon. Barra Barra is an indoor and outdoor venue, making it ideal for most any event. Both interior and exterior are beautifully adorned with traditional, old world Mexican décor.

Casa de Reyes is located on the site of an adobe home built in 1823, one of the first adobe homes in San Diego. Our restaurant is named in honor of one of the home's first owners, Doña Maria de los Reyes Ybañez de Dominguez. Doña Maria made her small, humble adobe a comfortable and welcoming home for friends and guests, and so do we.
