## FAQS

### **CEREMONIES:**

#### **What time can we do our ceremony?**

You may choose any time, however, you may not want to do it later than 5:00 as you may run short on reception time. In May and during the fall months, you will have a better chance of actually having your ceremony outside if you choose a time when the sun is the highest due to the possibility of cold weather when the sun goes down.

#### **Do we need a runner?**

No! Runners outside are almost impossible to manage due to the wind. Only a very heavy carpet may work, but the processional is on pavement and a brick aisle, not on grass or mud.

#### **Can we throw rose petals?**

We do not allow rose petals to be thrown here. We recommend bird seed or just have the flower girls carry a basket of flowers.

#### **When can we do a rehearsal?**

We can tentatively schedule a 30 minute rehearsal the Wednesday or Thursday afternoon prior to the wedding depending on the timing of the events. We recommend that you schedule your rehearsal dinner with no regard to us and the worst case scenario is you do your rehearsal off property.

### **RECEPTION:**

#### **What happens at the gate the day of the wedding?**

We will have someone at the gate for about an hour as the guests arrive. If someone is going to be late, we will be issuing a pin # of the day of the wedding to be used at The Members & Residents Gate. You will be receiving your own pin # for your membership as well.

#### **Where do the guests park?**

Parking for the guests is allowed along one side of the street. Family may park in the parking lot. The security officer will direct the parking as guests arrive. We now offer valet service at an additional charge.

#### **Can we go to the beach?**

Yes! We have a Private Tram for the bride, groom, and photographer only to go the beach. Guests are not allowed. Our beach is a private beach located on a 175 foot cliff.

#### **How long do we have White Cliffs for?**

Everything has to end by 11:30pm and the bar may be open a maximum of 5 hours. The ceremony is not included in the 5 hours and you may stay after the bar closes at no additional cost. Typically, a wedding is about 6-7 hours here.

#### **Can we have candles on the tables?**

Yes! Keep in mind that there may be a breeze outside, so it is best to provide coverage for the candles. We also recommend battery operated candles for outside.

#### **Can we use sparklers?**

We do not allow sparklers, sorry.

**Are Fire Lanterns allowed to be lit and sent off?**

No, the Town of Plymouth has banned the use of fire lanterns.

**Who decorates the gazebo and the tent poles?**

Typically the florist would do all of that.

**Is there a Bridal Suite?**

We have a ladies and men's locker room downstairs that you are welcome to use however, it is not private. Most bridal parties leave their belongings in the function office off of the lobby during the wedding.

**Do you have table numbers and place cards?**

We do have table numbers, but we do not do the place cards. You would provide the place cards in alphabetical order and we will set them up for you. You are welcome to use our table numbers or you can bring your own for us to set up.

**Are there overnight accommodations on White Cliff's property?**

We do not have any accommodations on the property, but there are many local accommodations. Please review our recommended accommodations list.

**Will someone be here to coordinate the day of the wedding?**

Yes, we provide two wedding coordinators during your wedding. We do not allow outside wedding coordinators.

**Can we offer our guests a choice of entrees?**

You may offer a choice of two entrees at no additional cost. The higher priced entrée will be charged for both. A choice of Combination entrée may not be offered.

**Can we bring in a cake?**

Yes, we include a pastry station in all of our menus, so you only need a small cake. The cake must be provided by a licensed baker.

**Do you charge a cake cutting fee?**

No.

**Can we bring in our own wine or liquor?**

No, our liquor license prohibits that.

**Do you charge a room rental fee or a site fee?**

No, we do not.

**APPOINTMENTS AND TOURS**

**When can we come take a tour of White Cliffs?**

We can schedule tours at many different times and days. Tours are done by appointment only as we are a private club and located in a gated community. On days when weddings or events are scheduled, we only allow "walk through" tours which mean a short tour to view the set up. Questions can be answered by phone or another appointment at a later date when we have time to sit with you and discuss details.

**When do we need to decide on our final menu and details?**

We schedule the final details meeting for no later than two months prior to the wedding and all final details are due two weeks prior to the wedding.

Jen and Linda made our wedding day an absolute dream. The day before my wedding I dropped off all of my stuff and rattled off where I would like everything and after leaving I thought wow there is no way anyone could understand what I just said, I had some serious bride brain! Come the next day, Jen and Linda out did themselves I swear they even did things that I had intended to tell them but had forgot they were so on top of their game. They are so calm cool and collected that they make you feel so relaxed in such a busy day. I could not recommended White Cliffs more to a newly engaged couple, they take the best care of you and that view cannot be beat. Thank you Jen and Linda you rock.

There's not enough room to write about how amazing White Cliffs is! My whole life I dreamed of a Cape Cod wedding and my biggest requirement was a beautiful view. I looked at 4 places on Cape, and threw White Cliffs on the list just for good measure, honestly never really expecting to book it since it was over the bridge and not technically "on Cape". All the other places I looked at were ok, they were doable, but none of them blew me or my fiancée, away. I looked at White Cliffs in the dead of winter in the beginning of March, and as soon as I walked out of the clubhouse and saw the grounds, I knew. This was where I was going to get married. White Cliffs is a breathtakingly beautiful place, I could tell even while it was still covered in snow. We first met with Linda, who was awesome and provided us with all the information we needed. Two days after looking at it I booked the date for August 2017. Throughout the year and a half planning process Jen and Linda were available to answer any random question I had, and always got back to me right away. You do need to be a "member" but that's a small fee for what you get. Every person at our wedding told us that it was the most beautiful wedding and venue they have ever been to. The food was fantastic, the grounds were immaculate, and the Jen and Linda were there the whole time to keep everything going and in order (and more importantly- made sure we ate our awesome food!). We weren't able to do a rehearsal there because of another event which I was kind of disappointed about, but honestly it really wasn't necessary. Jen and Linda were there to direct everyone to where they needed to be. I loved that everything could be done right there. We got married at their beautiful gazebo overlooking Cape Cod bay, had dinner under the tent, and danced away in the clubhouse. I honestly could not have asked for a better place to spend the best day of my life. I truly had the wedding of my dreams at White Cliffs, and I'd recommend this venue to anyone!

Good morning Ladies,

Where do I begin....Words cannot describe how wonderful Meghan and Kevin's wedding was on Saturday. From the moment they toured your beautiful venue last year, up until the day of, was just a wonderful experience. Working with both of you could not have been any more pleasant.

As someone as detailed as me, I especially appreciate the quick reply to ALL of my emails and phone calls with questions. You were always happy to help.

Fast forward to the day my friends and I dropped off all of "the stuff" to make their day more personable. I was a little worried that I had too much, and that it would be difficult to explain everything and follow the directions/guidelines...however, you were open to everything and embraced "The Book" with open arms...when we walked in for first look and I had a moment to look at everything before the guests arrived, it was PERFECT! There was not one thing I had to change. Now to the day of...from the moment we arrived, until the buses picked everyone up, it was smooth as silk. We especially appreciate being able to take the pictures on Kevin's pride and joy "Jeep" at the last moment. Everyone has commented on how beautiful the grounds were, how accommodating the staff was, and most importantly, how delicious and hot the food was, from the appetizers to dessert, and everything in between. I especially loved the wait staff and their pearls. It was a lovely touch. I could go on and on, but most of all, as the Mother of Bride, I just wanted to thank you for making the day so special and memorable for my daughter, her husband, and everyone who attended. My only complaint is that it went by way too quickly. But fortunately, we will have the video and pictures to look at for years to come. Thank you again from the bottom of my heart. You should be very proud of all that you do. You are a great team. Also, please feel free to share my thank you with your staff or post on your Facebook page.**Love, Linda (aka "The Book Lady") Mother of Bride May 22,2017**

## White Cliffs Country Club Testimonials

*The White Cliffs Country Club is a hidden gem!! It simply is the most gorgeous wedding venue we have ever seen. We decided to have our wedding here after visiting WCCC from Boston on a cold and snowy January weekend. Even though there was 4 feet of snow on the ground, I knew that this place was "it" and told my husband that this would be the perfect wedding venue, not only because of the amazing view and venue but because of Jen and Linda- the wedding coordinators. On our wedding day, we were stunned and taken back by the beauty of the tent and landscaping- we felt like it was a fairytale. The tent is magnificently decorated on its own and we loved how our guest had the option of walking around the grounds, looking over and visiting the beautiful cliff and beach, going in the tent AND the AC in the room where the dance floor is. Jen and Linda are excellent and were on point with every detail and guided us through the entire process. The venue and entire staff were the best and exceeded all of our expectations. We were married a month ago and our guest are still talking about how gorgeous the venue was, how amazing the food, and how it was the "highlight of their summer." I could not be happier with the White Cliffs and thrilled that I found it. Even though I knew it was the most incredible day ever, it is amazing that so many of our guests say that this was the most fun, gorgeous and best wedding that they have ever been to and how of them will be referring the venue. I could go on and on about how happy I was with WCCC. Do yourself a favor and call Jen and Linda to set up an appointment to plan your wedding at the White Cliffs- you WILL NOT be disappointed!*

**Jillian Henrici via Wedding Wire Wedding: 07/16/2016**

*We had the most perfect wedding day! The venue is gorgeous, the food was amazing but most importantly Jen and Linda literally made our dreams come true! They were so wonderful through the whole process, answered my thousands of questions, helped us plan a perfect day and were so helpful the whole entire night. I can't say enough about them-- they are so good at what they do. My husband is Haitian and Jen connected us with jewelry and accessories made in Haiti through a tremendous foundation and actually brought the jewelry to the wedding for us. It was so touching and personal- it meant so much to us and our families. Jen and Linda were there through everything--- I will recommend White Cliffs to everyone! We had an amazing experience--- thank you!*

**With Love & Appreciation, Kate & John Wedding: 06/03/2016**

*I had a really hard time selecting a venue, I visited many different venues from the north shore to the south shore and nothing seemed right, until I walked into White Cliffs Country Club. I visited with my mother about a year before our wedding and we knew it was the place I was going to get married. The views are unlike anything I have ever seen (and I have been going to Cape Cod my whole life), the grounds are stunning, the food is phenomenal, and the service is second to none. Jen and Linda are so detail oriented and focused on customer service. I must have sent them 100 emails and they always answered very quickly (which is so nice if you're a busy bride like myself). On our wedding day I was so thrilled to see how everything came together, it was truly a dream. They worked so hard on ensuring that everything happened according to our time line and perfectly. Everyone has been commenting on not only the beauty of our venue but the service and food as well. It been described as classy, elegant, and FUN. What more could you ask for? Thank you, Jen, Linda, and WCCC for helping to create our dream wedding!*

**Carolyn Baier May 28 2016 via Wedding Wire**

*We couldn't be happier with White Cliffs Country Club. Jen and Linda were amazing to work with. They were so helpful and very responsive leading up to the wedding day and on the wedding day they took care of everything! Anything you could possibly think of they had already taken care of it. White Cliffs is beautiful, the staff is extremely friendly and the food was excellent. We especially loved that we could take wedding pictures on the beach.*

**Natasha Edwards May 7 2016**

*I don't have enough good things to say about White Cliffs. From the very beginning of planning, they've been nothing but professional, responsive, and a pleasure to work with. Linda and Jen are the best planners ever! They truly care about your day and giving you exactly what you're looking for. They were incredible the day of the wedding - setting up the decor, helping with every little detail and timing, and making sure I ate!! I was so happy to work with them for the past year. The venue itself is truly unbelievable. I still have guests and family members talking about how beautiful the venue was, inside and out. We also still have people raving about the food. We served the lemon crusted chicken and it was a HUGE hit and not your typical wedding food. I would highly recommend this venue to anyone and wish I could go back and do it all over again - thank you Linda, Jen, and everyone at White Cliffs!*

**Lauren Tenaglia Wedding: 08/15/2015**

*Choosing WCCC for our wedding venue (both ceremony and reception) was one of our best decisions. First of all, the gardens and scenery were absolutely breathtakingly beautiful! and we were blessed with beautiful weather. Secondly, Jen, Linda (and the entire team) were professional, always responding to our many questions and dedicated to making our wedding day the best possible. Every little detail was considered. Jen gave us such great advice throughout the planning process. Kudos to Jen and Linda for such great service!!!! And then the food!!!! Chef Michael met with us and made some recommended changes to our menu to personalize it for us a bit. The result: the food was hot, delicious, plentiful and we received so many compliments on it. Thank you WCCC for our best wedding ever!*
