

## Why host your wedding at Stonewall Farm?

Stonewall Farm offers you a truly unique rustic setting in our one of a kind reception hall. The beautiful post and beam building features a 30-ft tall fieldstone fireplace and authentic grain silo that has been transformed to a wooden spiral staircase. Three ceremony sites are available to choose from that highlight this quaint New England farm's natural beauty. Most importantly your special day with us helps support a wonderful cause; Stonewall Farm is a nonprofit educational farm whose mission is to connect people to the land and to the role of agriculture in their lives. Come visit us and see why Stonewall Farm is considered such a valuable resource to the region and the perfect place for you to support and begin a lifetime of wonderful memories.

## What does your package include?

Full wedding rental packages include tables (5ft round tables for dining and rectangular tables for other necessities), chairs for your ceremony and reception, a choice of several beautiful and unique ceremony sites, full day rental of the building from 10:30am until midnight, an hour for the bridal couple to use our Cinderella carriage or hayrides for all guests, and an hour of rehearsal time on the grounds the afternoon or evening before your wedding.
