Who We Are:

Celebrate Events ... World-Class Service. Our name reflects the endless possibilities. Our motto reflects our high standard for amazing service. Whether you're planning a once-in-a-lifetime event, or have an event planner on staff, discover Celebrate Events as your number-one event resource. Why choose us? Because unlike other companies, we offer a complete suite of event services. We provide servers, bartenders, food and beverage catering, Valet parking, and rental services. Our bundled offerings will save you time, money, and the hassle from having to contact various vendors. Our experience and dedicated staff will make your event...remarkable.

The seeds for Celebrate Events (formerly known as Bartenders Unlimited) were planted by Rich McDonald in 1986, along with group of professional bartenders and servers. From the occasional parties served back then, to an all-time company record of coordinating 1,100 servers at the 31st Ryder Cup, Celebrate Events has blossomed into a premier hospitality provider. Today, we provide services to area universities, synagogues, museums, businesses, and professionals and continue to create unforgettable memories. We often render services to more than 30 locations in a day.

Although our company name has changed, our clients continue to call- because of our dedication to value (through bundled packages) and World-Class Service. Making our clients' lives easier is what we do best. After investigating our services, as outlined in the following pages, please call or e-mail us. We'd be happy to demonstrate how Celebrate Events will make life easier for you. Relax and celebrate!
