

BEVERAGE CATERING & BARTENDERS

Refreshment/Liquor and Bartending Packages • Insured Bartenders

Beverage Catering is our specialty. With over twenty-five years of experience, we know what to serve and how to serve it, in a professional and responsible, yet fun manner. Our professional bartenders are CARE®, TIPS®, or FAIR® certified. These certifications help prevent some of the problems associated with offering alcoholic beverages. We also obtain the necessary permits and insurance that allows you to offer alcohol, and for us to legally serve it, at your event. With a smile on their faces, our bartenders come equipped with all the necessary tools-of-the-trade. Don't hesitate to request a signature drink, a unique garnish, or your favorite craft beer or apéritif!

RESIDENTIAL PARTIES

Hosting a party is often overwhelming...from the preparation...to the dreaded clean-up. The goal of our servers and bartenders is to ease your stress, so that you can enjoy the party, too. Prepare your own food, or hire us to prepare and bring it to you. Either way, we pride ourselves in providing the "extra hands" you need before, during, and after your event. We assist in set-up, pass food and beverage, and stay until the fine china is hand-washed, left-overs are packaged...and the garbage is removed. Our attentiveness to you and your guests will ensure all are satisfied.

WEDDINGS

A wedding day is a one-in-a-lifetime event. For this reason, we develop back-up plans and take care of all the tedious background logistics, so you don't have to worry about all the "what if's." Celebrate Events transforms small and large weddings into elegant affairs. In addition to planning and providing staff, food, and beverage services, we coordinate with florists, entertainment, and limousine companies.
