ABOUT US...

SEÑOR FROG'S world-renowned for its energetic party atmosphere, is the flagship brand of Mexico's restaurant group. Grupo Anderson's, starting in 1969, we've been your "infamous party scene" for more than 40 years. If you've ever been to a Señor Frog's, anywhere around the world.

If you've ever been to a Senor Frogs anywhere around the world you know we have daily Live Music, DJs, Contests and Karaoke. Our Bar is always going into the early morning hours.

If we were taking out a personal ad, we'd describe ourselves as fun, outgoing, energetic and good looking.

The good looking part might be a stretch, but the other words fit us perfectly.

If you've ever been to Señor Frog's, you already know that we're a place where people of all backgrounds hang together, dance, sing and basically act the way they want - without worrying about silly rules and regulations.

**SAVING THE WORLD
FROM BOREDOM.**
