

Wedding DJ Services

Premium Wedding DJ Ceremony & Reception Services

6 hour of service \$1,800.00 cash price \$1,900.00 credit price

- 2 Premium Professional Sound System for ceremony and reception
- Wireless lavalier (hidden clip-on) microphones for ceremony
- Light bar set up with proper dance lighting (depending of venue size)
- 10 Uplights or wash lighting to decorate and create the mood
- Fog machine or low lying fog machine for dance floor effects
- Custom “name or logo in lights” monogram
- Wireless microphone included for reception and all necessary announcements made professionally by DJ
- DJ mixes and scratches all of your favorite hits

Wedding is planned with your DJ just as you like and imagine. Meeting with DJ to go over wedding details the DJ will give the wedding couple traditional wedding song lists and timeline (homework) to fill out. The DJ will continue to check in with the wedding couple and help as needed up until 1-2 months before the wedding the DJ will meet again with the wedding couple and collect the music lists and go over wedding details. The DJ shows up for the wedding rehearsal with a speaker and laptop to give the bridal party a live practice run and cue or loop any music that is needed for the ceremony depending on availability. Additional fees may apply for outdoor venue weather conditions and extra equipment.
