

Arrington

VINEYARDS

Nestled in the beautiful rolling hills of Middle Tennessee, Arrington Vineyards is the perfect venue for your dream wedding and reception.

HISTORIC

Meets Charm

Amidst the vineyards on the west side of the property is the historic and charming Stone House.

Built in 1926, the Stone House was renovated in 2013 to specifically accommodate romantic “wine country” weddings. With a unique vineyard setting in the beautiful rolling hills of Tennessee, we are truly a venue like no other in the area!

Weddings have been taking place there since 1976, it was serendipitous that Arrington Vineyards acquired the Stone House to extend the opportunity for others to commit their love to one another.

Vineyard WEDDING

With breathtaking sunset views, the west lawn offers picture perfect lighting and a selection of ceremonial backdrops. Whether it is an intimate moment shared on our charming wrap-around porch or a grand walk down the aisle surrounded by family and friends, the Stone House offers something special for every love story.

After exchanging vows, the newlyweds can be swept away into the vineyards to capture their first moments together as one. All the while, wedding guests can mingle and enjoy wine, hors d'oeuvres, and music; creating memories that will be treasured for many years to come.
