# experience the natural beauty of Weddings & Events

AT OAK CREEK GOLF CLUB®

The secluded, serene location of Oak Creek Golf Club is a hidden gem amongst Southern California venues. Warm and inviting, it is the perfect place to host a variety of indoor or outdoor gatherings, from private parties, intimate or extravagant weddings and rehearsal dinners to large soirées and social events. Located in Irvine, it's the ideal space to feel tucked away so you can be engrossed in the moment, yet conveniently located near everything you need to host a truly special event.

## THE GROUNDS

The grounds and outdoor space add to the ambiance that often feel more like scenic parkland rather than a golf course. Spanish-inspired architecture with authentic detailing, spacious stone terraces with lush landscaping for outdoor receptions, rustic grounds with lake views, vistas of the Fazio-designed golf course and majestic mountains make a picturesque backdrop for any event up to 500 guests.

## THE HERITAGE ROOM

Another beautiful aspect of Oak Creek Golf Club is the Heritage Room, ideal for holding sophisticated or casually elegant events with ease. The room's natural wood-beam ceiling details and abundant light exude comfort and refined style. Oak Creek's unique layout also allows you to extend gatherings on the adjacent terraces and event lawns.

Few venues compare to the early California essence, grace and timeless ways of Oak Creek.
